Red Bull Air Race World Championship 2010 Perth round report and results

The final race for Red Bull Air Race World Championship 2010 was held in Perth Australia today, Hannes Arch has won the Perth round of the championship followed by local hero Matt Hall just 0.48 seconds behind him.

Yoshihide Muroya progressed through the Wild Card session today, taking 1st place to move into the Top 12.

His Top 12 round time of 1.32.43 including a marginal 2 seconds penalty put him in 9th position, not quite good enough to move on to the next round.

But, he was able to fly his plane close to its best time, and looking on the positive side said, "I have found a big key point concerning flying style from this race and will review it and prepare for the next round in Rio".
